Corticelli Sweater Silk Art. 212

This new product of the Corticelli Silk Mills is the daintiest and most beautiful silk for crocheting, embroidering and general knitting purposes introduced for a long time.

For years American women who delight in making pretty pieces of fancy work have been looking for something better than cotton or worsted yarn for garments of quality.

There is a decided advantage in using Corticelli Sweater Silk, for these reasons—it is pure silk (not a composition of wood, cotton or vegetable fibres). It has a "soft finish" which is especially desirable.

Put up in balls containing full 1 1/4 ounces of silk, in the following colors: White 474; Cream 476; Baby Blue 423; Blue 34; Pink 390; Deep Pink 237; Linen 355; Green 46; Dark Lavender 93; Yellow 344; Old Gold 985.9; Grey 384; Medium Grey 388; Royal Purple 1041; Kelly Green 552; Cactus 298; Beauty Rose 640; Chartreuse 1005; Apple Green 1000.5, and Black 470.

LESSONS IN TATTING

BY NELLIE ELLISON
AND
MELVIA M. STODDARD

BOOK No. 3

PUBLISHED BY
THE CORTICELLI SILK MILLS
FLORENCE, MASS.

Introduction

Tatting has been the favorite form of fancy work since the 16th Century, and possesses endless possibilities of adaptation. The shuttles used at that time were exquisitely made in ivory, gold and silver, and one may see in museums the beautiful and costly inlaid shuttles.

The term Tatting is derived from an Indian word "Tattie," which means to make tight or taut,—a sort of half knotted work done with different sized shuttles and many kinds of thread. The French call it "Frvolité" from its delicate and lacy appearance. In the present day simple designs are combined with novelty braids, laces and hand embroidery, also the tatted flowers or flower shaped medallions are used in place of the solid embroidery, thus giving to these modern designs an artistic effect almost equal to the fragile and beautiful ones of the 16th Century.

Publishers' Announcement

The vogue of tatting prompted the publication of this instruction book. With the assistance of expert designers we have chosen over 150 new models, all beautiful and artistic patterns, in Edges, Insertions, Medallions, Appliqué, Luncheon Sets, Dresser Scarfs, Pillow Slips, Towels, Nightgowns, Waists, Collars, Bags, Children's Dresses, Handkerchiefs, Candleshades, Vases, Bonbon Baskets, Hat Bands, etc.

An extensive use is now being made of much coarser threads for tatting than formerly were considered suitable, and this form of needlework is now often used for the edges of towels, scarfs, centerpieces, etc., where in years gone by it was confined to very fine threads and lacy patterns.

Beautiful effects can be made by tatted designs combining two or more colors. In this book we have only attempted to show a few of the many uses and adaptations to which these original tatted motifs can be put.

Corticelli Lessons in Crochet, Book No. 1

Directions for making the newest designs in Sports Coats, Hats, Slippers, Girdles, Scarfs, Shawls, Dressing Jackets, cute Nut Baskets, Edgings and Insertions for curtains, centerpieces, etc., are given in this splendid book. Contains sixty illustrations, many of which are in color. A thoroughly practical book for learner as well as the more experienced hand. Price 10 cents a copy.

Corticelli Lessons in Crochet, Book No. 2

Every lover of crochet needlework will want a copy of this book. Plenty of pretty pieces suitable for holiday gifts are clearly described and illustrated. Yokes, Baby Bonnets, Baby Afghans, Slippers, Children's Coats and Tams, beautiful Edgings and Insertions, Vanity Boxes, Centerpieces, Doilies, Medallions, Collars, Napkin Rings, Sports Coats and Blouses, Lingerie Hats, Golf Hose, Crocheted Buttons, all can be easily made by following the simple instructions given. Price 10 cents a copy.

Materials for Working

The materials needed for the Art of Tatting are few and simple—a shuttle, a crochet hook, and thread which has a “cable laid” twist are all that are required.

Shuttles. For ordinary work the vulcanite shuttles, which can be bought for ten cents and up, are the best. These are black and, being light weight and smooth, are more pliable and easier to handle than those of bone, mother of pearl, metal or other hard substances.

Thread. Because of its firm, even, “cable laid” twist and perfectly round surface **Corticelli Mercerized Cordonnet** is admirably suited for tatting for the decoration of table linens, lingerie, handkerchiefs, bedroom linens, etc. Besides white it comes in ecru and linen colors to match materials used for curtains and scarfs, and in several delicate shades dyed fast colors for edgings for towels, luncheon sets and handkerchiefs which are now so popular.

Some materials, however, such as infants' flannel skirts and silk caps, ladies' crepe de Chine waists, etc., call for a silk thread. For this work Corticelli Crochet and Knitting Silk is best suited and it may be had in cream, white and in many beautiful fast colors.

Princess Pearl Crochet Cotton Size 5 may be used for Turkish towels where a soft and rather heavy edge is desired. A simple edging made of this material is also effective on huckabuck towels. It comes in white, cream and about twenty-five fast colors.

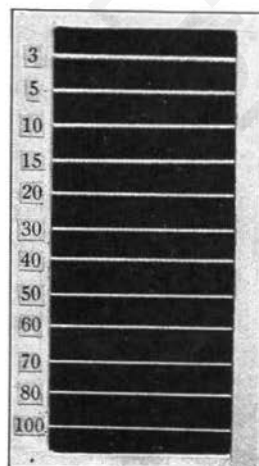

These materials come in all sizes, and the skilled needleworker will have no difficulty in selecting the size of thread suited for the work in hand. To help the less experienced, however, we have included in many of the instructions the size of thread generally used for the different articles.

More or less difficulty and inconvenience are always experienced in matching colors, the number of the color to be matched often being lost or mislaid. To avoid this we have issued Color Card No. 37 showing the actual colors and sizes in all the different Corticelli and Princess Cottons. This card costs 10 cents and may be obtained from your dealer or will be mailed direct.

Explanation of Stitches

To fill the shuttle pass thread through the hole provided for this purpose and proceed to wind until the thread projects a little beyond the sides. The stitches are made with the left hand, the thread in the right hand being held "taut" and away from you so as not to tie a knot. Tatting in reality is quite simple and if the positions of the hands in the illustrations are carefully followed there will be no difficulty in making the stitches.

Single or Half Stitch. The first thing to learn is the single or half stitch. Take shuttle in the right hand and the end of the thread between the thumb and forefinger of the left hand, placing the thread over the fingers as shown in Fig. 1, allowing thread enough for easy movement of the two fingers now under the loop. Bring it back between the thumb and forefinger, crossing the threads as shown. Pass the thread from the shuttle under the second and third finger and over little finger of your right hand, giving the shuttle the direction as shown in Fig. 1.

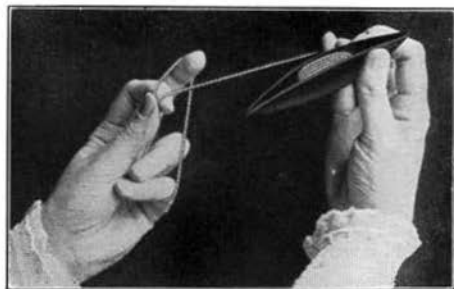

Fig. 1

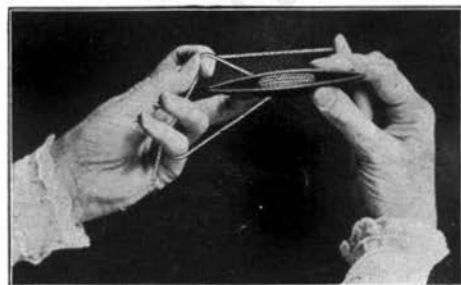

Fig. 2

Now pass the shuttle between the first and second fingers of the left hand to the back of the hand, bringing it out behind the loop, drawing the shuttle thread "taut," stopping with a quick movement while the left hand closes or draws the knot. (Fig. 2.)

This is where the amateur's trouble arises as the beginner is apt to let the shuttle thread slacken, and in that case it ties a knot and will not slip. This can be overcome if you will, after passing the shuttle

through the loop, hold the shuttle thread away from you and "taut" but hold the left hand motionless.

Double Stitch. Raise the third finger of the left hand to make the stitch which is the first half of the double stitch. The shuttle thread must be kept "taut" and not moved while using the left hand, as it is the left hand that completes the stitches, while the right hand or shuttle thread is the part which runs through the stitches to allow the ring to be drawn up. (Fig. 3.)

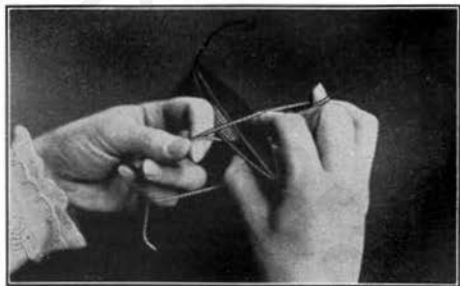

Fig. 3

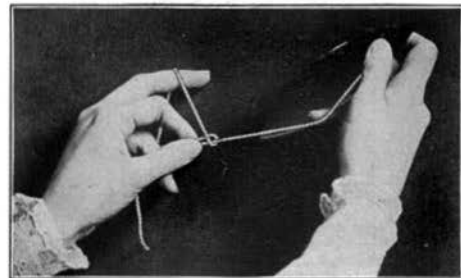

Fig. 4

The second half of the stitch is made by passing shuttle, as shown, over the thread and under the loop between the first and third fingers of the left hand, the right hand taking the shuttle from under the empty loop, the left hand closing the stitch the same as in the first half stitch, forming the double stitch. Always allow sufficient length of thread to permit the shuttle to pass through the first and third fingers without touching them. (Fig. 4.)

Picot. After forming a double stitch the hand takes the same position as in Fig. 1. To make a picot take a long half stitch, say one fourth of an inch or more, commonly called a single stitch, separated by a double stitch.

Picots are a series of single stitches and should be of uniform size. Fig. 5 shows 1 picot, 1 double stitch and 1 picot.

Tatting with Two Shuttles. Two shuttles or shuttle and ball are used in tatting when the little rings are not to be connected at the bottom by a

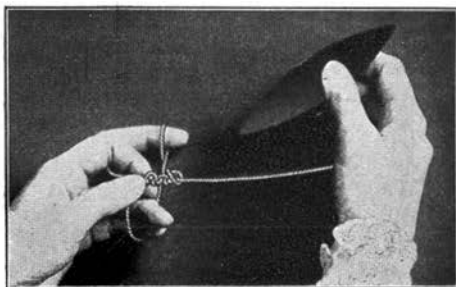

Fig. 5

thread, when you wish to hide the passage of the silk to another group of knots, and when threads of two or more colors are used.

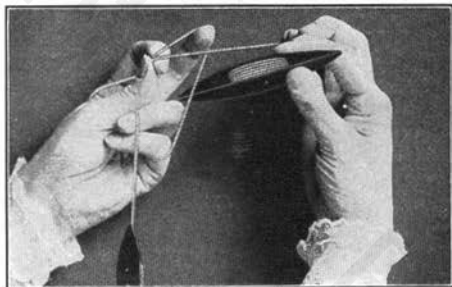

Fig. 6

Wind shuttle and do not cut from spool if work is to be all of one color. If in two colors then two shuttles are wound, using first one and then the other. The second shuttle thread is passed from thumb and forefinger over third finger of left hand, and, instead of forming a loop around the fingers, the thread is held with the fourth and little finger and the stitches are worked in the usual way. (Fig. 6.)

Stitches Commonly Used

These are the stitches most commonly used in tatting, grouped together. They should be thoroughly mastered by practice and a close study of the instructions in the foregoing pages.

Single or Half Stitch (Group No. 7). A group of single stitches drawn up into rings. Place thread around fingers and work 10 single stitches. Take loop off fingers, hold stitches between thumb and forefinger, and draw shuttle thread up close to form a ring, leaving one fourth of an inch of thread, and repeat.

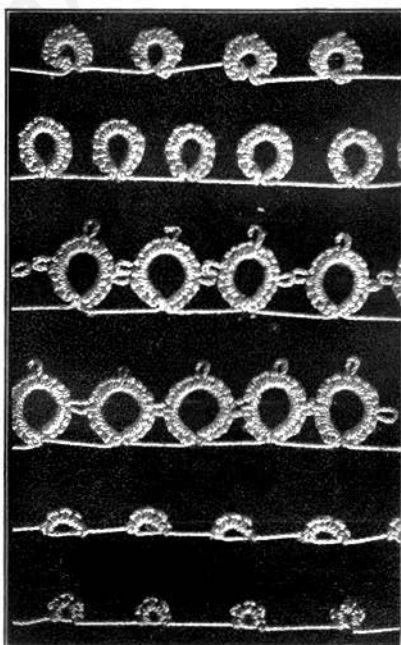

Double Stitch (Group No. 8). A group of double stitches drawn up into rings.

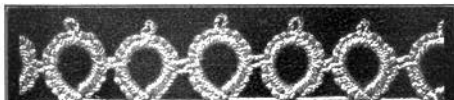

Picots (Group No. 9). Leave about one fourth of an inch of thread between 5 double or complete stitches, draw up, and the picots project with the stitches.

Joining of Rings (Group No. 10). The joining stitch connects the different parts of a design. With a crochet hook draw upper thread through picot of first ring and pass shuttle through it, holding shuttle thread "taut."

Josephine Knot (Group No. 11). Used in many of the old designs; made by tatting 5 double stitches and drawing up just about half.

Dots (Group No. 12). Tat 5 double stitches and draw up almost to a ring.

Materials: For handkerchiefs or where a very small, fine edge is desired, use C M C Cordonnet Size 70 or 100. For edgings for collar and cuff sets, baby dresses, waists, lingerie or other wearing apparel, luncheon and bedroom sets, choose Size 40 or 50. For huck towel edgings select C M C Size 30, or Princess Pearl Size 5, if it is to be a narrow edge. Princess Pearl Crochet Cotton may also be used on Turkish towels. For curtains select C M C Size 30 or 40, in white, ecru or linen. For heavy linen crash for scarfs, etc., use C M C Size 3 or 5, in ecru or linen.

For baby's flannel garments, silk bonnets, etc., Corticelli Crochet and Knitting Silk is very suitable, either in cream or white, and this silk is also used for trimmings on crêpe de Chine waists, silk lingerie, etc.

Edging No. 13. The simplicity of this edging makes it very adaptable. A row or two of simple filet crochet across the top transforms it into a charming edge for dresser scarf and day pillows, towels, etc., or as an edging for Valenciennes insertion it makes a pretty waist trimming. It is also appropriate for doily or centerpiece, or made of Corticelli Crochet and Knitting Silk it is a dainty edge for baby's petticoat or bonnet.

Instructions: R. 5 d.s., 1 p., 5 d.s., 1 p., 5 d.s., 1 p., 5 d.s., close; rp., joining first p. on last p. of previous ring.

Edging No. 14 is suitable for centerpiece and doilies developed in C M C Cordonnet, in white or in shade No. 213 blue, and is equally pretty for collar and cuff sets, handkerchiefs or lingerie. It is pretty in either C M C or Princess Pearl Crochet Cotton for huck or Turkish towels; the latter material, while not so generally used, gives a nice soft edge that is very desirable, and it may be obtained either in white or in colors, blue or pink being the colors usually selected, while yellow, although a little out of the ordinary, is very attractive in a small edge for towels.

Lingerie Waist No. 92

The trimming on this waist shows how pattern No. 15 may be effectively combined with valenciennes lace insertion, with Edging No. 27 on the sleeves and base of collar. The medallions are made from pattern No. 103.

Pillow Slips Nos. 93 and 94

No. 93 shows insertion made from pattern No. 33, using C M C "Kitten" brand Cordonnet Size 40.

No. 94. The pretty edging on this slip is a bit unusual, and is made with one shuttle of pattern No. 15 to desired length, and then flowers from pattern No. 111 are tatted together and at the same time tatted to the edging.

Collar No. 106

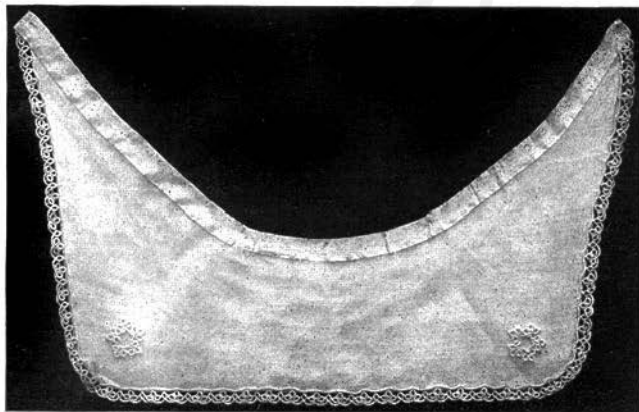

(By Cynthia H. Lawrence)

A pretty tatted edge and corner motifs appliquéd to a piece of organdie will give distinction to any collar. Use Corticelli Mercerized Cordonnet Size 50.

Instructions: Make a chain the desired length, or if you wish you can leave the spool and shuttle

attached to continue the trimming. The first time across, ch. 10 d. s., p., 10 d. s., repeating the p. at intervals of 10 d. s. through the strip. Fasten spool and shuttle thread together. Make a ring with 4 d. s. between p., holding the ch. with p. towards you, fasten the second p. of ring to the first p. in chain. Finish the ring, and close. Turn work, and ch. 10 d. s. Turn and make a clover leaf, fastening first ring of leaf at 2d p. to the last p. of preceding ring. The 2d p. of 2d ring of leaf is fastened to the 2d p. of long chain. Continue in this way, first a ring, then a clover leaf, next a ring, with a chain of 10 d. s. between each.

The corner motifs are simply 5 clover leaves, with a chain of 10 d. s. between each leaf.

Organdie Collar with Tatted Edge No. 106

Make a very narrow hem on the collar, and instead of sewing the trimming on the edge in the usual way, lay it on the outside, sewing it in place with very fine thread and as blindly as possible. It gives an altogether different effect, and is necessary here, as the picots have been omitted.

Vase No. 107

Not every beginner will want to undertake to make this vase design, which is slipped over a glass about $4\frac{1}{2}$ inches deep, 2 inches in diameter at the bottom and 3 inches at the top. The tatting is of White C M C Cordonnet Size 30, with a tiny yellow edge at the top and two dainty wreaths of pink and blue forget-me-nots and green leaves. When filled with flowers it makes a novel and decorative centerpiece. Make 4 sets of flowers, 2 pink ones separated by blue flower. Dresser Scarf No. 110

The edging for this scarf is pretty in pink and white or blue and white in Princess Pearl Crochet Cotton Size 5 or C M C Cordonnet Size 40. The initial is worked in color to match the edge.

Another suggestion for a dresser scarf is to use for the edge C M C Cordonnet Size 40 in pattern 34, inserting in the four corners Medallion No. 36. A scarf with Insertion No. 57 can be finished with any edging similar to No. 34. Insertion No. 38 is effective with Edge No. 18 if the braid is omitted.

Tatting Combined with Braid

Most attractive patterns can be easily invented by combining tatting and different kinds of braid. This gives variety and at the same time permits much faster progress than when the entire work is in tatting. The patterns on this page are worked in Corticelli Mercerized Cordonnet Size 50.

Medallion No. 113. R. 8 p. separated by 1 d. s., close and tie. *R. 5 d. s., join to braid, 5 d. s., close; R. 5 d. s., join to braid, 5 d. s., close; tu., ch. 5 d. s., join to p. of ring made, 5 d. s., rp. from *, joining ch. to the 8 p. and 16 rings to braid, cut and tie; join braid ends.

Edging No. 114. Ch. 3 d. s., 1 p., 2 d. s., 1 p., 3 d. s., tu.; R. 4 d. s., 1 p., 4 d. s., join to braid, 4 d. s., 1 p., 4 d. s., close; R. 4 d. s., join to p., 4 d. s., join to braid, 4 d. s., 1 p., 4 d. s., close; tu., ch. 3 d. s., 1 p., 2 d. s., 1 p., 3 d. s., tu.; R. 4 d. s., join to p., 4 d. s., join to braid, 4 d. s., 1 p., 4 d. s., close, rp.

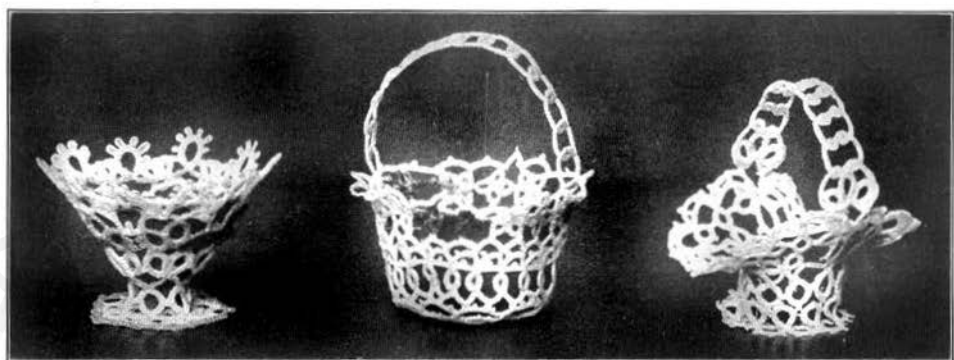

On opposite side of braid. Ch. 4 d. s., join to braid, 4 d. s., tu.; R. 3 d. s., 1 p., 3 d. s., 1 p., 3 d. s., 1 p., 3 d. s., close; rp. twice and tie; tu., ch. 4 d. s., join to braid, 4 d. s., join to braid, 4 d. s., tu.; R. 4 d. s., join to 2d p., 4 d. s., 1 p., 4 d. s., 1 p., 4 d. s., close; R. 4 d. s., join, 4 d. s., 1 p., 4 d. s., 1 p., 4 d. s., close; tu., ch. 4 d. s., join to braid, rp.

Edging No. 115. The same as the medallion in Napkins No. 111 on page 33, joining picots of tatting to picots on braid.

Edging No. 116. Join thread to braid, ch. 3 d. s., 1 p., 3 d. s., 1 p., 3 d. s., 1 p., 3 d. s., tu.; R. 3 d. s., 1 p., 3 d. s., join to braid, 3 d. s., 1 p., 3 d. s., close; ch. 3 d. s., 1 p., 3 d. s.; rp. to 4 rings and 4 chains; tu., R. 3 d. s., join to p. on ring, 3 d. s., join to braid, 3 d. s., 1 p., 3 d. s., close; rp. twice, joining, and tie. Rp. opposite side, joining p. on chain. Sew points of braid together between tatted points.

Edging No. 117. R. 6 d. s., 1 p., 5 d. s., 1 large p., 5 d. s., 1 p., 6 d. s., close; tu., ch. 3 d. s., join to point on braid, 1 d. s., 1 p., 1 d. s., join to next point, 1 d. s., 1 p., 1 d. s., join to next point, 3 d. s., rp., joining to 9 points of braid and 5 rings with a ch. of 3 d. s., 5 d. s. separated by 1 d. s., 3 d. s. between 3 of the 5 rings, cut and tie and proceed to desired length.

Edge or Insertion No. 118. Same as Edge No. 117 with 13 points of braid and 6 rings, reversing the medallion.

Baby Dress No. 122

This little dress is exquisitely dainty and will give an idea of how many of the different patterns for tatted edgings and insertions illustrated in this book may be applied to children's clothes. The medallions of tating combined with embroidery are unusual and most effective.

Detail of Medallions of Tating and Embroidery on Yoke of Baby Dress No. 122

At the bottom of the dress, between Valenciennes insertion, is Pattern No. 127 developed in C M C Cordonnet Size 50. The tatted design used in the embroidered medallions is Pattern No. 89. For the edge at the neck and sleeves Pattern No. 34 is used, with 2 small rings joined.

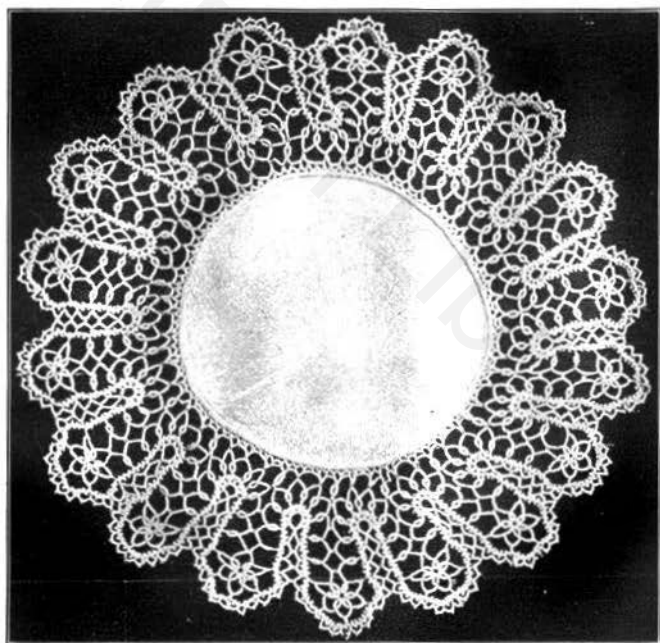

Centerpiece No. 123

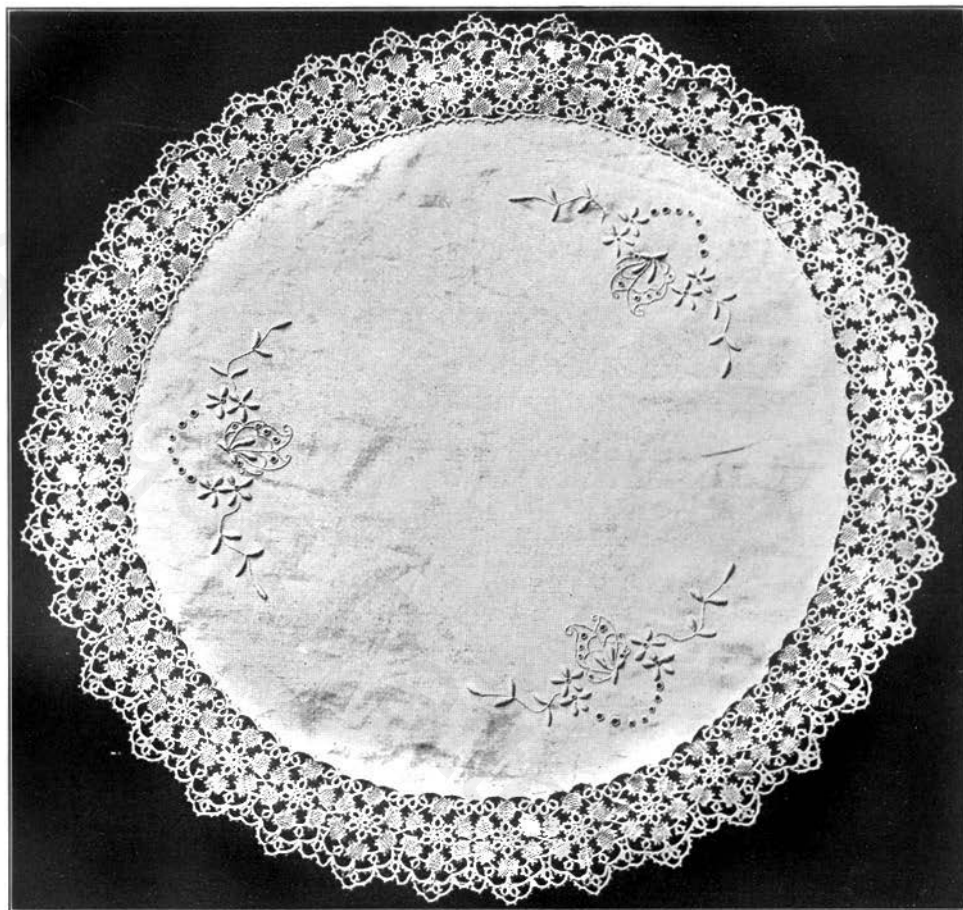

Tating is used with braid to make the edge for this centerpiece. The pattern has an open, lacy effect which is very attractive. Corticelli Mercerized Cordonnet Size 40 in White, Ecrú No. 356 or Linen No. 355 may be selected. The width of the tatted edge is about $2\frac{3}{4}$ inches.

Medallion No. 128

Silk Bag No. 124

By Mrs. F. L. Smith

The bag is ten inches high and eight inches wide and is made of a good quality of heavy pongee silk. The decoration is of tatting worked in Corticelli Crochet and Knitting Silkin color to match the bag. A less expensive bag could be made of linen, with tatting in Corticelli Cordonnet Size 10.

Measure the center of bag below the inch hem, and mark it with a knot of thread. Both sides of bag are alike in decoration.

For center medallion make a 9 p. ring with 2 d. s. between p., then a 9 p. scallop with 2 d. s. between p.'s. Continue with alternate ring and scallop until you have 8 rings and 8 scallops, join.

Make a 7 p. ring with 2 d. s. between each picot, join it to the 5th p. of the scallop of the center medallion at the 4th p. of ring. Make an 8 p. ch. with 2 d. s. between each p., 7 p. ring, then another chain, continue until the center ring is surrounded by 8 points.

Make a 7 p. ring and join to a point at the 4th p. of rings; then a 5 p. scallop with 2 d. s. between p., 4 more rings like the first, not joined together, and 5 scallops like the first. Make a 7 p. ring and join it to the next point of center at the 4th p. of rings. Repeat, finishing medallion. Appliqué on bag.

The sides and lower end of bag are trimmed with border of double tatting made with spool and shuttle.

Make rings of 11 p. with 2 d. s. between p.'s. With spool and shuttle, make bars of 3 p. with 2 d. s. between, finish with a ring to make a clover leaf. A seven pointed star is placed at each of the lower corners of bag after the double tatting is sewed on.

To make the stars: 1st, make a 9 p. ring with 2 d. s. between p. Ch. with spool and shuttle 5 p. with 2 d. s. between each p., with shuttle make 2 d. s., 1 p., 2 d. s., close. This makes a small point. With spool and shuttle make ch. of 5 p. with 2 d. s. between to make the star point, continue till the 7 points are finished.

The scroll, extending from the star points, is made as follows: R. of 7 p. with 2 d. s. between p., ch. of 5 p. with 2 d. s. between p., rp. until you have 18 rings with 17 chains between.

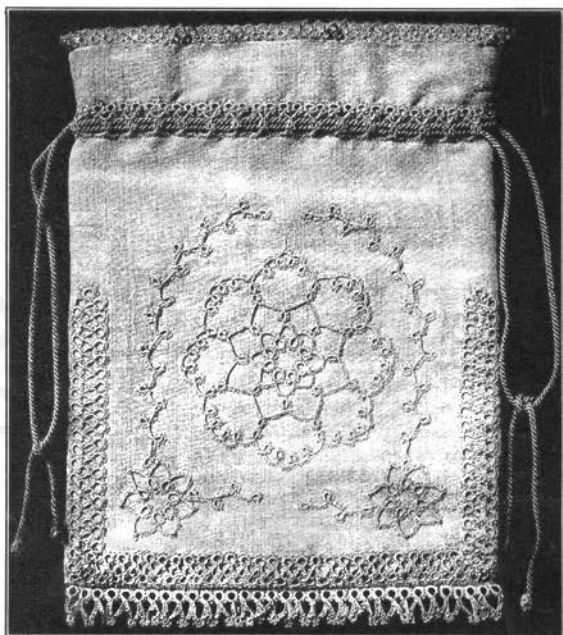

The lower edge of bag is finished with a tatting fringe made with spool and shuttle: Make an 11 p. ring with 2 d. s. between each p., then a bar of 5 p. with 2 d. s. between each p., 5 p. ring, 5 p. bar, this completes one bar. Continue to the required length.

The upper edge is finished with rings of 7 p. with 2 d. s. between p. and scallops of 6 d. s., 1 p., 6 d. s., rp. At the base of hem is appliquéd the beading. This beading is made in 2 rows with spool and shuttle. Make a 7 p. ring, 6 d. s., R. of 5 p., then 6 d. s., R. of 7 p., a scallop of 12 d. s. with 1 p. in the middle of scallop. Continue as begun, alternating a point, then a scallop. The upper row alternates as the lower but is formed a little differently. The thread is fastened to the 3d p. of the 5 p. ring and a 4 p. scallop is made. Then make a 5 p. ring and join at the 3d p. to the p. of the scallop of the 1st row made. Rp.

Two yards of cord are required for this bag. The ends of the cord are knotted and covered with 4 tatting rings which are sewed on, giving a pretty finish and keeping the knots in place.

This bag is lined with sateen and in the lining a small postage stamp pocket is made and fastened with a small hook, which adds to its desirability.

The tatting is all appliquéd on the bag before it is seamed. The lining is sewed up and fitted in and then the hem is made.

Medallion and Edgings

Exquisite trimmings may be made by combining some of these lovely designs. Medallion No. 131 edged with No. 132 would make a dainty small doily, and for a larger size repeat the border of the medallion to give the required width. Lace Edge No. 134 could be combined with Ribbon Casing No. 161 for a charming yoke for nightgown or camisole. Beautiful decorations, as simple or elaborate as you wish, may be designed for luncheon sets, table scarfs, cushion tops, etc., selecting medallion, insertion and edge of similar pattern.

The designs are worked in Corticelli Mercerized Cordonnet. Select a size suitable for the article that you are making. If a silk trimming is desired use Corticelli Crochet and Knitting Silk. These materials come in white, cream, ecru and fast colors.

From the top. 1st row, Insertion No. 145; 2d row, Lace Insertion No. 146; 3d row, Wide Insertion No. 147.

Insertion No. 145

A dainty dresser scarf can be made of ecru marquisette, hemstitched, with a band of this insertion about two inches inside the hem, and with corner motifs of Medallion No. 135. A little embroidery will add to the effect. A pincushion to match can have a hemstitched cover with a strip of the insertion lengthwise across the top and a medallion at each end. The hem of the scarf will be about one and one-fourth inches and that of the cushion three-fourths of an inch wide. Pretty curtains can be made of the marquisette hemstitched and with the corners decorated with the insertion and medallion. The tatting should be in ecru Corticelli Mercerized Cordonnet Size 50. The insertion is also suitable for underwear used with Edge No. 132. In Size 30 cotton it is $1\frac{1}{2}$ inches wide.

Instructions: Use continuous thread. S. r. 4 d. s., p., 4 d. s., ch. 4 d. s., R. 8 d. s., p., 8 d. s., ch. 2 d. s., (p., 2 d. s.) 4 times, join p. of last r., ch. 2 d. s., (p., 2 d. s.) 3 times, draw up close, join same p., ch. 2 d. s., (p., 2 d. s.) 4 times, join base of l. d. r., * ch. 5 d. s., p., 8 d. s., turn; R. 4 d. s., p., 4 d. s., reverse; ch. 4 d. s., l. d. r., repeat from *, joining s. r. to p. of 1st ch. and 3d l. d. r. to 1st and 4th to 2d.

Lace Insertion No. 146

A beautiful yoke for corset cover or nightgown may easily be designed from this pattern. For the straps over the shoulders use a double row of the lower edge of the insertion. The lower edge may also be used by itself as a dainty insertion for towels, and the upper or flower part can be used with beautiful effect in a dresser scarf or centerpiece. It would be lovely on net for a dainty bedroom set. The lower edge may be repeated on the opposite side of the flower design for a wider insertion, or the flower border itself may be repeated to give the desired width. In Corticelli Mercerized Cordonnet Size 30 the design is $2\frac{1}{4}$ inches wide.

Instructions: Heading. 1st row: Use continuous thread between shuttle and ball. Hat Band No. 168

The tatted hat band is sewed on to a foundation of black velvet ribbon $1\frac{1}{2}$ inches wide and long enough to encircle the hat. The tatting is worked in Corticelli Crochet and Knitting Silk in any color desired. Patterns No. 38 or 57 could be used for hat bands in this way.

Instructions: Commence with a ring of 9 p. with 2 d. s. between each p. With spool and shuttle make a scallop of 9 p.'s with 2 d. s. between each, and another ring joined to the 1st at the 4th p. Continue scallops and rings till 6 rings and 5 scallops are made; join the sixth r. to the first, thus forming a circle of rings. The next figure is like the first and joined by the 4th and 6th p. of the 3d scallop to 1st p. of the rings in the first medallion.

The medallions in the rosette that finishes the band are made like the other medallions with the addition of a point which is made as follows: With spool and shuttle make a bar of 4 p.'s with 2 d. s. between each p. Then with shuttle make 2 d. s., p., 2 d. s., close to form the point; add another bar and fasten to r. first made.

**Hat Band No. 168****Butterfly Medallion No. 169.**

The graceful butterfly is a favorite design for medallions and is even more effective in tatting than in crochet. It is very adaptable and may be used either alone or combined with embroidery to decorate linen for the dining room, living room or bedroom. Worked in black or colored "Princess" Pearl Crochet Cotton it would be a pretty appliqué for a hat. In Corticelli Mercerized Cordonnet Size 30 it is about $3\frac{1}{2}$ inches in width at the widest spread of the wings and the body is a trifle over two inches long.

Butterfly Medallion No. 169

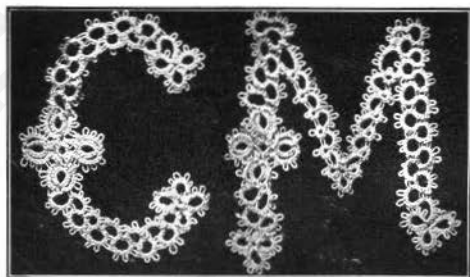

scallop of 1st r., ch. 2 d.s., (p., 2 d.s.) 8 times, join top of 1st r., where last ch. started, reverse, ch. 3 d.s., (p., 3 d.s.) 3 times, join 2d p. of body, 2 d.s., (p., 2 d.s.) 3 times, join 3d p. of next to last ch., *3 d.s., p., 3 d.s., miss one p., join the next; repeat from * 17 times; ch. 5 d.s., tie threads around neck and cut. Make left upper wing the same. *Lower wing:* L. r., (2 d.s., p., 2 d.s., l. p.) 8 times, 2 d.s., p., 2 d.s., turn; ch. 3 d.s., p., 3 d.s., p., 3 d.s., join 1st p. of 3d ch. of body, ch. 3 d.s., (p., 3 d.s.) twice, join 2d s. p. of l. r., (ch. 3 d.s., p., 3 d.s., miss l. p., join s. p.) 5 times, ch. 2 d.s., (p., 2 d.s.) 5 times, join next ch. of body, 3 d.s., (p., 3 d.s.) 3 times, join where last ch. started, tie and cut thread. Join threads to last scallop of upper wing and 1st scallop of lower wing, ch. 2 d.s., p., 2 d.s., join next scallop of lower wing, *ch. 2 d.s., (p., 2 d.s.) 5 times, join next scallop; repeat from * 3 times; ch. 2 d.s., (p., 2 d.s.) 5 times, join 5th p. of next scallop and 1st p. of last ch. of body, tie and cut threads; make opposite wing the same.

Tatted Initials No. 170.

Lacy tatted initials are not difficult to make and may be used to decorate linen in the same way as embroidered or crocheted letters. Baste the initials to the linen and buttonhole all around, then cut away the cloth under the letter. On net they should be appliquéd. Any letter can be made in this pattern. In Corticelli Mercerized Cordonnet Size 50 the letters are about 2½ inches high.

To work the C: R. 2 d.s., (p., 2 d.s.) 5 times, join 1st and last picots, ch. 2 d.s., join last p. of last r., 2 d.s., (p., 2 d.s.) 4 times, join 1st p. of 1st r. of clover leaf, turn, 2 d.s., join next p. of same r., 2 d.s., (p., 2 d.s.) 3 times, join last p. of last ch., turn; 2 d.s., join next p. of same ch., *2 d.s., (p., 2 d.s.) 4 times, join last p. of last ch., turn, 2 d.s., join last p. of last ch., 2 d.s., (p., 2 d.s.) 3 times, turn; repeat from * 5 times, ch. 2 d.s., join last p. of last ch., 2 d.s., (p., 2 d.s.) 4 times, join last p. of last ch., turn, ch. 2 d.s., join last p. of last ch., 2 d.s., r. 8 d.s., p., 8 d.s.; turn, ch. 2 d.s., join last p. of next to last ch., 2 d.s., (p., 2 d.s.) 3 times, join p. of r., c. r. 2 d.s., (p., 2 d.s.) 3 times, turn, *ch. 3 d.s., join 1st p. of c. r., ch. 2 d.s., join last p. of last ch., 2 d.s., (p., 2 d.s.) 3 times, turn, 8 d.s., join same p. of c. r., 8 d.s., turn; ch. 2 d.s., (p., 2 d.s.) 4 times, join same p. of c. r.; repeat from * twice, join at base of 1st r., tie and cut threads. The Corticelli Kitten Playing with a Spool of Corticelli Silk

The most beautiful and useful fiber given us by Nature is Silk. Nothing compares with it for beauty, elasticity, durability, and strength. Silk manufacturing is an Art. It requires the highest human skill and patience to bring forth from the tiny silk cocoons such a perfect and beautifully finished product as Corticelli Silk—smooth, even, elastic, and round, and dyed in colors to match all the tints of the rainbow.

As Artists require the best brushes and pigments, so the Needleworker should insist upon buying the kind of silk which is everywhere recognized as the best. Corticelli has won 40 Highest Awards for superiority.

Look! please, for the Corticelli "Kitten-head" trade-mark on the end of each spool and skein of silk you buy. Write us about the silk you need for any purpose. To answer your questions will be a pleasure.

Corticelli Crochet Cottons

For Crochet purposes many prefer to use mercerized cotton for laces, edgings, insertions, etc. To meet this demand from those who have always looked for Corticelli quality, the Corticelli Silk Mills have put on the market the "Corticelli Mercerized Cottons" and "Princess" brands of Crochet and Embroidery Cottons. The enormous demand for these goods is the best proof of their instant and unqualified success.
