CROCHETED DOILIES

The * is used in repeating -- 'repeat from •' – means to repeat everything that follows the last *.
Chain = ch; slip stitch = sl st; single crochet = sc; double crochet = dc; treble crochet = tr; double treble crochet = dtr.
This pattern contains directions for three doilies; one is a fern design, one is a pine¬apple, and one is lovely flower-petals. All are easy and quick to make in fine or heavy cotton.
