FILET CROCHET

WITH INSTRUCTIONS

SERIES No. 2

Abbreviations and Foundation Stitches with Explanations

Chain (ch). The chain stitch is the beginning of all crochet work. Make a loop of thread and with the hook draw the thread through the loop, which forms a stitch.

Slip stitch (sl st) is used to join rows together. After the foundation ch is made, insert the hook in stitch and draw thread through loop and stitch at same time.

Single crochet (sc). Draw a loop through a stitch of the foundation, thread over the hook, and draw through both loops on the hook at the same time.

Double crochet (dc). Thread over hook, take up a loop through a stitch of the foundation; thread over hook again and draw through two loops, thread over hook again and draw through two remaining loops.

Treble crochet (t c). This stitch is made the same as double crochet, except that the thread is passed over the hook three times, drawing through two stitches each time, as before.

Picot (p). Make a chain of three or more stitches, pass hook through first chain made, and work a single crochet.

Space (sp) used in Filet Crochet. Chain 2 stitches, skip 2, 1 d in next stitch, ch 2, skip 2, 1 d in next, ch 5 at end to turn.

Group (gp). A group is composed of 4 d, 1 d over d, 2 d in sp, 1 d over d. If the row starts with a group or groups, make 3 ch to turn. If the row starts with space, make 5 ch to turn. * Means that the directions between stars are to be repeated.

Foreword

CROCHETING is one of the most interesting kinds of fancy work and at the present time is decidedly one of the most popular; it has of course been known for many years and has always more or less been a favorite work.

It has lately experienced a sudden revival and is now in a position of importance. When we consider the durability of the work and the many beautiful articles that can be produced in it, both for the adornment of the home, and also for personal wear, its value is great.

The object of the designer is to show how to make filet crochet lace, also the many uses it may be put to. A worker may produce an artistic piece but is at a loss to know how to apply it.

Series No. 1 and 2 of filet crochet show many effective pieces which are simple to make and very beautiful in effect.

Instructions are given for the designs which are elaborate, others may be worked from the illustrations. The spaces (sp.) referred to in this book consist of two chain (ch.) missing two stitches (st.) of the previous row and making one double (d.) in the next stitch, and when the number of a group (gr.) of consecutive doubles is given it includes the double of the previous space.

Abbreviations

Chain (ch.); single crochet (s.); double crochet (d.); treble crochet (t.); space (sp.); group (gr.); picot (p.); stitch (st.); slip stitch (sl. st.)

A picot is formed by chaining 3 or more stitches and catching back in first stitch of chain, which makes a loop.
