Colored linens frequently have lint on them when ironed. To prevent this, wash well by themselves and rinse through three waters. Roll in a Turkish towel for an hour and a half; straighten out and dry. Press on wrong side with moderately warm iron. This advice is especially good for colored handkerchiefs.

Sew the ps on 1st and last Stems and Rings together to complete circle.

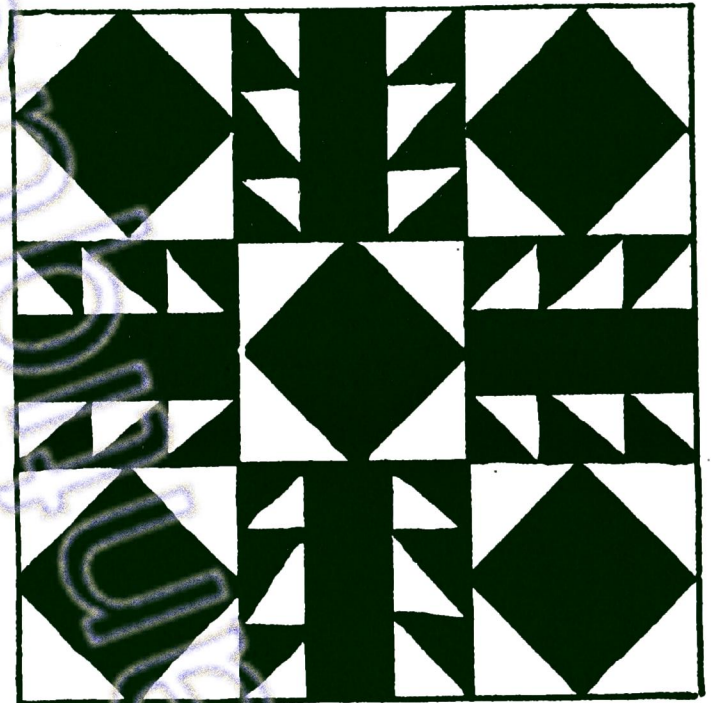

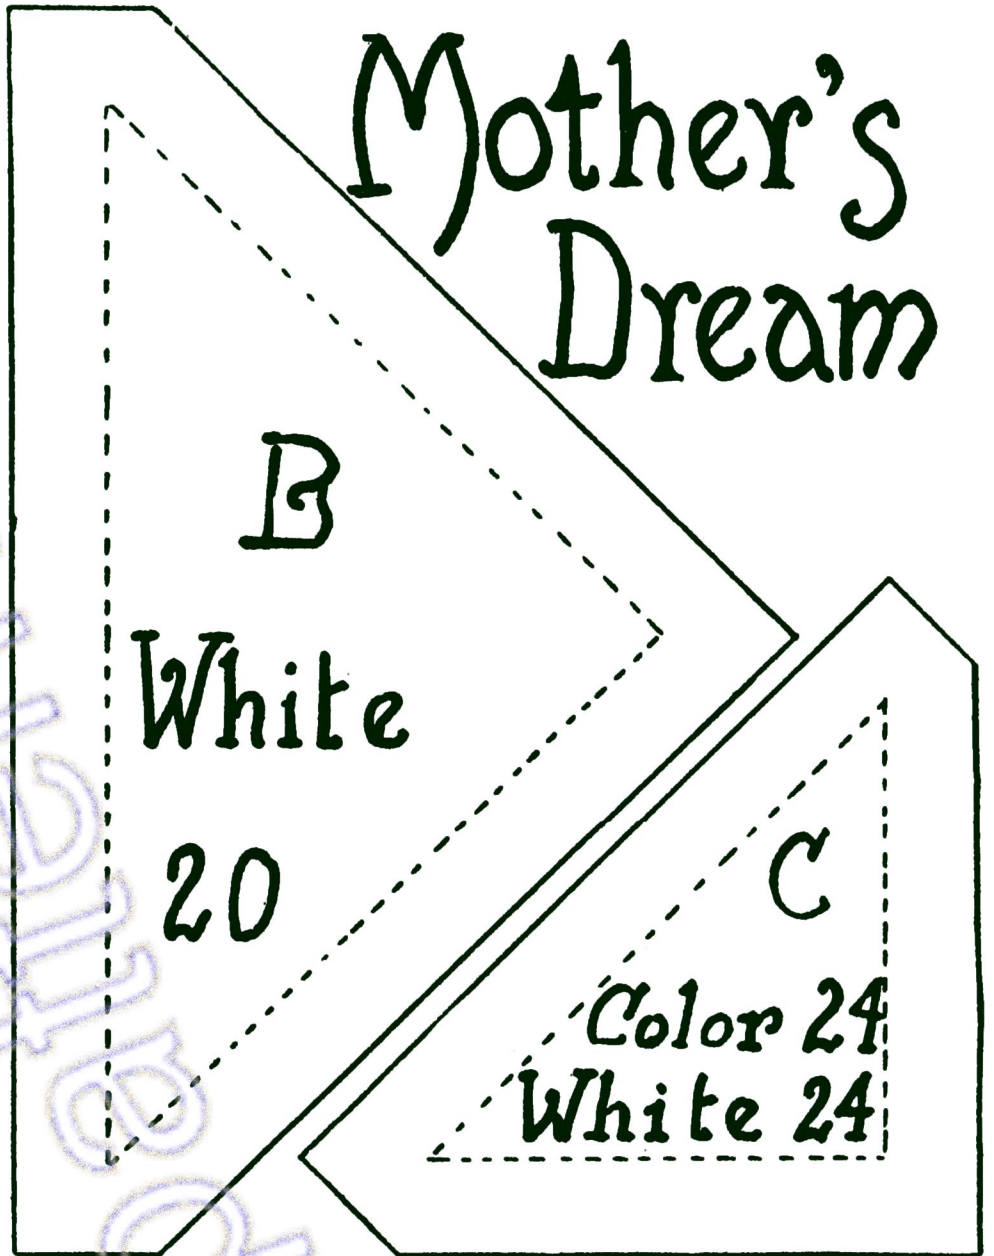

HEADING ROW: Join to the 6th sc on one corner ring, ch 3 in place of a dc, * ch 3, 1 dc in next sc, ch 3, 1 tr in next, ch 3, 1 tr tr in next, ch 19, 1 tr tr in same last sc, ch 3, 1 tr in next sc, (ch 3, 1 dc in next) twice, ch 3, 1 d tr in the 3rd sc on next ring, ch 3, 1 d tr in same st, ch 3, 1 tr tr in same st, 1 long tr in 4th sc on next ring, ch 2, 1 d tr in 5th sc on next ring, (ch 3, 1 d tr in same st, ch 3, 1 d tr in 5th sc on next ring) repeated 4 times, ch 3, 1 d tr in same st with last d tr, ch 2, 1 long tr in the 3rd sc on next ring, 1 tr tr in the 6th sc on next ring, (ch 3, 1 d tr in same st) twice, ch 3, * * 1 dc in the 6th sc on next ring which is a corner ring. BEADING ROW: Ch 3 in place of a dc, (ch 1, sk next st of last row, 1 dc in next) 11 times, * ch 27, sk last ch st, 1 sc in next 10 sts, (ch 1, sk next st, 1 h dc in next) 3 times, (ch 1, sk 1, 1 dc in next) 3 times, (ch 1, sk 1, 1 tr in next) twice, 1 dc in same st with next dc, (ch 1, sk 1 st, 1 dc in next) 60 times, which brings work to the center st of next corner 19-ch. Continue on around, repeating from *. Join final 1-ch with a sl st to the 3d st of 1st 6-ch. Fasten off.

POPCORN ROW: Join to the 1st of the 10-sc at 1 corner * ch 3, 1 dc in next 2 sc worked into a Cluster, drop Cream, pick up Yellow thread and draw a loop of it thru the loop on hook, and working over the Cream thread and the starting end of Yellow, make a 5-dc Popcorn in back loop of next st, ch 1, drop Yellow, pick up Lavender and draw a loop of it thru the loop on hook, ch 1, and make a Popcorn in back loop of next 3d st, working over Cream, Yellow and starting end of Lavender thread, ch 1. Drop Lavender, draw a loop of Pink thread thru the loop on hook, ch 1, and make a Popcorn in next 3d st, working over all threads not in use, ch 1. Drop Pink, draw a loop of Blue thru the loop on hook, ch 1, and make a Popcorn in next 3d st, working over all threads not in use, ch 1. After each Popcorn is completed, pull up all threads tight and close together. Now draw up Yellow and join, ch 1, and make a Popcorn in next 3d st, ch 1. Continue making 7 more Popcorns in same color order, working over all threads not in use, and drawing up each color as needed. This completes 12 Popcorns. At this point, clip away the Cream thread and the starting ends of 4 colored threads, as they will be sufficiently covered to be fastened off securely. Following 12th Popcorn, (in Blue), ch 1, join Yellow thru Blue loop on hook, but omit the following 1-ch st which has been made previously. Instead, make a Popcorn in next 3d st, ch 1, join Lavender and make a Popcorn in next 3d st. Continue in same way until there are 26 Popcorns in all. Final one will be in Lavender. Now make a Pink Popcorn in next 4th st and another, in Blue, in next 4th st. This is in exact center st of side of Block. From here, reverse the order of colors. Make the next Popcorn, in Pink, in the next 4th st, the next in Lavender, in next 4th st. From here, make the Popcorns in every 3d st, in this color order: (Yellow, Blue, Pink, and Lavender) repeated until there are 44 Popcorns altogether, the final one being in Blue. Now make 11 more Popcorns, in same color order, but make the extra ch st between Popcorns the same as between the first 12 Popcorns, as follows: (After each Popcorn, ch 1, join next color, ch 1, and make another Popcorn) repeated.

(Continued on page 6)

Set this 12-inch block together with strips and squares, the latter exactly like the piece made up of A and B. For a quilt about 78x97, you will need

30 pieced blocks, a 3-inch border, 49 strips and 20 squares. The strips are as wide as the squares and their length is the same as the block. About $4\frac{1}{8}$ yards of color, $5\frac{1}{6}$ yards of

white and $\frac{3}{4}$ yard for border as needed. To piece it make first the individual squares as shown in the sketch. Join these into three strips and then into the block.

Your NUMO Hot Iron Transfer

This transfer, as it comes to you, will seem wrong side out, but when directions are followed, the design you stamp will be like the picture.

1. Heat your iron very hot—almost to the scorching point. Use the small test design or a corner of the pattern to test the heat of your iron.

2. Cut out the design you plan to use, removing all unnecessary lettering. Lay PRINTED SIDE DOWN on the material in the position you wish it to be stamped.

3. Hold paper firmly in place and press, keeping the iron moving to prevent scorching in case it should be too hot. A piece of tissue or thin paper may be laid over the pattern to protect the cloth in case your iron is larger than the design to be transferred. After having transferred the NUMO pattern a number of times, you may find this unnecessary.

The design is stamped slowly and each succeeding time, it will take a little longer, but the IRON MUST BE HOT. For very best results, the stampings should be in fairly rapid succession, one after another from the same design. Good results have been obtained, however, when the pattern has been laid away for some time.

Sunbonnet Sue and Overall Bill Quilts

Girls in small figured prints may be used alone, or they may be alternated with boys; all may face in one direction, they may face in or they may form a parade around the quilt. In any case, the pretty border in print and colors will make a lovely frame.

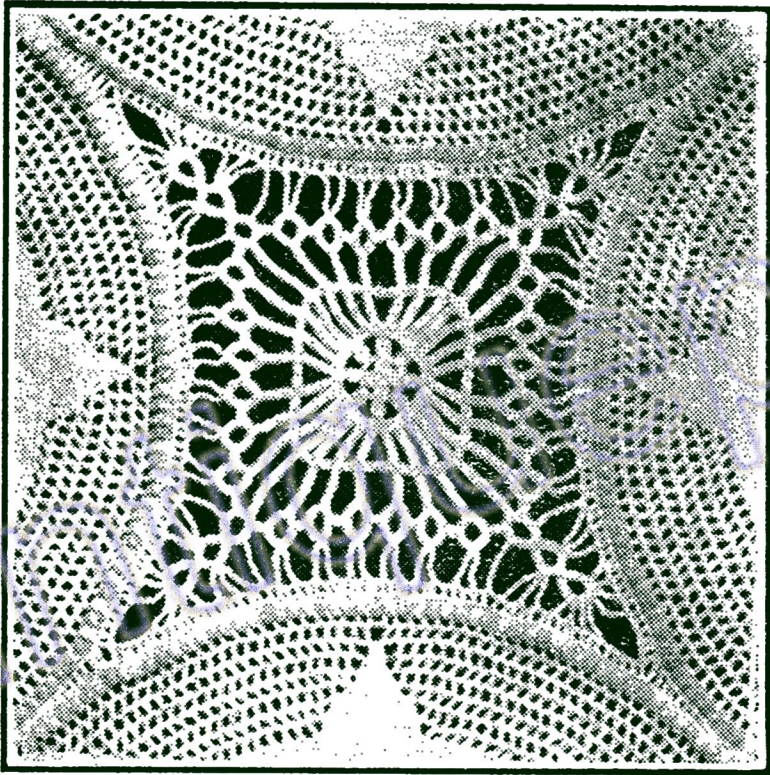

The patterns are designs for nine-inch blocks but may be used on a larger size. Applique the various pieces with almost invisible stitches. Blue or other plain color may be used for overalls with a small check for shirt; yellow for straw hat. Shoes are black or brown and hands un-

bleached or flesh colored. Bonnet and sleeve may be plain color to match print of dress. Alternate with plain blocks, white or colored. For a crew neck quilt (45x54), if you use 9-inch blocks, you will need 10 pieced and 10 plain; for a 72x90, you will need 32 pieced and 31 plain will make the quilt 72x90; the pieced border is 4 inches wide.

To make matching pajama bags, use the larger patterns supplied; complete the front, then cut a back to fit. The opening may be closed by a zipper underneath, at side or some other place you prefer. Small laundry bags may be made by leaving openings at both sides and slipping over a wire coat hanger, bent to fit. The back must be slashed so that the bag may be hung by the hook, protruding from back of head.

You will find that outlining the tea towel design with tiny running stitch is as effective and much more rapid than stem stitch. Use brown for faces, arms and legs; red for lips. The hair, of course, is black; French knots are used and cross stitch makes the pig tail braids. Add bright red bows for contrast. Each dress may have polka dots of a different color and the day may be worked to match or in black; broom, wash bowl, yarn, etc., may be done in natural colors or in black. The two pan holders should be cut double, interlined, and the edges blanket stitched or bound, and a loop or ring used for a hanger.

The final Popcorn—the 55th—in row, will be in Yellow. Draw Cream thru loop on hook and make a dc in next 2 sts worked into a Cluster, ch 3, 1 sl st in next st, 1 sc in same st. Now go around end and make 3 sc in 1st sc on opposite side and repeat from * across next side. Continue on around until 4 sides are completed. Fasten off all threads.

Fasten off. Fill out each side of Block in same way.

On tissue paper, draw a true square about an inch larger than finished Block. Stretch and Pin Block right-side-down on this pattern on a well-padded ironing board and steam with a wet cloth and hot iron, then press through a dry cloth until thoroughly dry. A Spread pressed in this way will keep its shape and flatness indefinitely.

Sew Blocks together by placing them face to face and overcasting edges closely.

Now repeat from * in 2nd Row of "Side Section" directions until Section is completed. Press in same way as Blocks and sew one of these Sections to each Block around bottom and sides of Spread, omitting across top.

FRINGE: Wind Cream and 4 colors of thread separately around a 4½ inch card. Clip at 1 end and tie in groups of 4 strands. Tie Cream in the two 5-ch loops at each end of Border Sections. Then tie a colored group in each space around each Section in exactly the same color order as the row of Popcorns.
