General Information

GAUGE . . . Before starting your article, make a small sample of the stitch or motif. If your working tension is too tight or too loose, use a finer or coarser needle to obtain the correct gauge.

TO LAUNDER COTTON ARTICLES . . . Before laundering, record all important measurements. Launder article in warm water, using a good neutral soap or soap flakes. *Do not use bleaching solutions!* Allow to dry thoroughly on a flat surface. Then block article, following **Blocking Directions**.

BLOCKING DIRECTIONS . . . Using rust-proof pins, pin individual pieces right-side-down on Turkish towels. Press with a hot iron through a damp cloth. When thoroughly dry, remove pins.

STIFFENING BASKET . . . Have ready straight pins, a large square of cardboard with a tall heavy glass turned upside down in the center of it. Then, in a pot large enough to hold crocheted pieces, mix 1/3 cup of water with 1 cup of sugar. Boil for 2 minutes. Put pieces into mixture and boil for 2 more minutes, stir-

ring continually to insure even distribution of syrup through pieces. Remove pieces. Pull basket over glass and pin points to cardboard. Let stand until almost dry but still flexible enough to mold into shape. Shape basket as in illustration or as desired. Allow to dry thoroughly. Handle is stretched flat and dried. If desired, run a wire through handle before sewing to basket. Run ribbon through handle and sew rosette in place.

STARCHING . . . Starch the article, pin out on a padded surface following original measurements and outline. Press through a dry cloth and remove pins when article is dry. The stiffness of the starched article is governed by individual taste. Following directions on packaged starch and experimenting will bring desired results.

IMPORTANT . . . Be sure to buy at one time sufficient material of the **same dye lot** to complete the article you wish to make, as it is impossible to avoid slight variations in color in different dye lots.

BANGS . . . Wind Brown Rug Yarn flatly over width of a piece of paper 1 inch wide and 6 inches long. Machine stitch 2 or 3 times along one edge. Tear out paper. Then cut one thickness of Rug Yarn close to stitching thus making Bangs 2 inches long. Sew in place across top of Head.

HAIR . . . Cut remainder of Brown Rug Yarn into 1-yard lengths. Lay them side by side to cover a 6 x 36-inch area. Machine stitch them together down middle (stitching should measure 6 inches), having 18-inch strands on each side of stitching. Place Hair on Head, one end of machine stitching in center of Bangs, remainder of stitching down back of Head. Sew securely to Head. Drape Hair over back of Head and across top of Bangs. Fasten strands close to Head at ends of Bangs. Make 2 braids and tie

ends with ribbon. Tack braids in place. Sew Eyes and Mouth in place. Make eyelashes with Brown.

DRESS . . . Fold material in half making a double piece 18 x 18 inches. Make a slit along center 12 inches of fold. Turn under fabric around slit and sew in place, being sure a draw string can be run through (this is neck opening). Measuring 4 1/2 inches down from fold, make a 7-inch slit parallel with fold through both thicknesses. Make a similar slit on other side. Sew top edges of this slit together for 3 1/2 inches (sleeves). Make hem on sleeves wide enough for draw string. Sew side seams of skirt; then shirr upper edge of skirt in to fit body of dress and sew in place. Make a 2-inch hem at bottom of skirt. Use main color Rug Yarn for draw strings at neck and sleeves. Braid remainder of main color Rug Yarn for sash.
