For Today...and Tomorrow

Time will tell the story of the fine lace cloth you make today, for time only emphasizes its intrinsic loveliness and mellows the inherent beauty of your craftsmanship. A really exquisite lace cloth provides the handsome setting for the many hospitable occasions of family life that will be recalled each time you spread its beauty on the table. It can be a life-long companion too, for a lace cloth wears and wears, a heritage to hand down to your daughter! And although a lace cloth sounds like an ambitious undertaking, it is surprising how fast you can make the motifs. You'll find their freshness will endure if they are made with CLARK'S O.N.T. or J. & P. COATS THREADS —names symbolic of the very highest in thread tradition.

General Information

IMPORTANT . . . Be sure to buy at one time sufficient material of the same dye lot to complete the article you wish to make, as it is impossible to avoid slight variations in color in different dye lots.

GAUGE . . . Before starting your article, make a small sample of the stitch or motif. If your working tension is too tight or too loose, use a finer or coarser needle, to obtain the correct gauge.

BLOCKING DIRECTIONS . . . Following measurements given, with rustproof pins pin article right side down on a well padded flat surface. If article is too large for pressing table, block in sections of convenient size. Be sure to pin out all picots, loops, scallops, etc., along outside edges. Press through a damp cloth with a moderately hot iron (do not rest iron on decorative raised stitches). When thoroughly dry, remove pins.

TO LAUNDRY COTTON ARTICLES . . . Before laundering, record all important measurements. Launder article in warm water, using a good neutral soap or soap flakes. Do not

use bleaching solutions! Allow to dry thoroughly on a flat surface. Then block article, following **Blocking Directions**.
