**SHERWOOD'S**

**Impression Powder and Perforated Patterns,**

FOR PRINTING ALL KINDS OF DESIGNS FOR

**BRAIDING, EMBROIDERY AND BEADING.**

The undersigned take this method of informing the Trade, also, those who wish to engage in the STAMPING BUSINESS, that we are the only DESIGNERS AND MANUFACTURERS OF PERFORATED PATTERNS west of New York.

Having had years of experience in this business in the East, and knowing the increasing demand of the Western trade for our class of goods, induced us to locate permanently in Chicago.

We opened our manufactory here one year ago, and the rapid increase of our business during that time, has fully warranted us in adding more machinery, so that we enter upon our second year of business in the West with increased facilities and a much larger stock. We have constantly on hand over 10,000 different designs, and are continually adding new ones to our list. We would state in particular, that ALL our PATTERNS are manufactured from the VERY BEST QUALITY OF LINEN PAPER, MADE EXPRESSLY FOR OUR TRADE.

The POWDER we manufacture cannot be excelled in its superior qualities. After years of experiments we have succeeded in producing a WHITE POWDER that has no equal. We guarantee every Box. We are also supplying the trade with a book of designs, representing 1500 of our choicest patterns well selected. This book is beautifully and substantially bound in cloth and morocco, with side title of BRAID AND EMBROIDERY, and furnished at very low rates. The advantages derived from the possession of this book of designs are numerous. It greatly assists the purchaser in ordering patterns, as each design is represented by a number corresponding with the number on the original pattern. Thus parties need order only such patterns as they require for their trade, thereby avoiding the necessity of purchasing a surplus stock. It greatly increases the facilities for obtaining work, as the book contains a much larger variety of designs (from which the most fastidious taste can be gratified) than is generally kept by those in the business. To parties who purchase this "Book" we will furnish all goods of our manufacture at a discount of fifty (50) per cent. from the following:
