## WITH INSTRUCTIONS

By

SERIES No. 3

BROOKLINE, MASSACHUSETTS  
1915

**Abbreviations and Foundation Stitches with Explanations**

**Chain (ch).** The chain stitch is the beginning of all crochet work. Make a loop of thread and with the hook draw the thread through the loop, which forms a stitch.

**Slip stitch (sl st)** is used to join rows together. After the foundation ch is made, insert the hook in stitch and draw thread through loop and stitch at same time.

**Single crochet (s).** Draw a loop through a stitch of the foundation, thread over the hook, and draw through both loops on the hook at the same time.

**Double crochet (d).** Thread over hook, take up a loop through a stitch of the foundation; thread over hook again and draw through two loops, thread over hook again and draw through two remaining loops.

**Treble crochet (t c).** This stitch is made the same as double crochet, except that the thread is passed over the hook three times, drawing through two stitches each time, as before.

**Pinnit (p).** Make a chain of three or more stitches, pass hook through first chain made, and work a single crochet.

**Space (sp)** used in Filet Crochet. Chain 2 stitches, skip 2, 1 d in next stitch, ch 2, skip 2, 1 d in next, ch 5 at end to turn.

**Group (gp).** A group is composed of 4 d, 1 d over d, 2 d in sp, 1 d over d. If the row starts with a group or groups, make 3 ch to turn. If the row starts with space, make 5 ch to turn.  
\* Means that the directions between stars are to be repeated.

## Foreword

**T**HIS beautiful and always useful work was never more popular than now, as is evidenced by the fact that nearly every household magazine has a space devoted to it.

It is rapidly executed, requires little attention in counting stitches, and easily taken out to remedy a mistake, which makes it a favorite work with all.

For trimmings, luncheon sets, table, bureau or sideboard scarfs, tidies, and all pieces requiring laundering no other work can compare with crochet, either alone or combined with linen or other fabrics.

Threads in white or ecru may be used according to the uses of the pieces made, and the adornment of the home greatly enhanced by the additions of this beautiful work.

## General Directions

### *Abbreviations*

In crocheting there are stitches which may be called the foundation of this work. These well learned, one has no difficulty in becoming a good worker. The art of crocheting is acquired by practice.

Chain (ch); is a series of loops each drawn through the preceding loop until the desired length is obtained.

Slip stitch (sl st); a stitch on the needle; pass needle through work, draw thread through work and stitch at the same time.

Double crochet (d); the stitch is made by one stitch on needle; thread over needle, pass needle through work, draw thread through two stitches, thread over needle again and draw through last two stitches.

Treble crochet (tr); thread over needle twice and draw through two stitches at time, having thread over each time before drawing through.

Picot (p); is made by a chain of 3 or more stitches, according to size of picot, and catching by sl st into first chain, making a loop.

Single (s).

Group (gr).

Space (sp).

When spaces are added at the beginning of a row, make the necessary number of chain and add 5 more to turn.

\* Indicates repetition.

The needle should be used as fine as possible to carry thread without splitting it, to secure the best results.
