TEA ROSE CARD TABLE COVER

Here is a lovely card table cover you will take pride in using for small luncheons, afternoon teas, or for dessert after bridge. For the table cover you will need a 33 inch square of linen, in white or a color. If Lily Sil-Tone is used for the crocheting, 6 balls will be required for the sprays. If Daisy Mercerized Crochet Cotton is used, 2 skeins of size 30 thread will be needed. Use a size 10 crochet hook.

ROSE—Rnd 1: Make a ch (chain) of 7, sl st (slip stitch) in first st to form ring. Ch 10, dtr (double treble crochet: thread over hook 3 times and work off 4 pairs of stitches) in ring, (ch 3, dtr in ring) 10 times, ch 3, sl st in 7th st of beginning ch.

Rnd 2: Ch 1, into next 3-ch, * (1 sc—single crochet—ch 2, 3 dc—double crochet—ch 2, sc), sc in dtr. Repeat from * around, sl st in first 1-ch. Rnd 3: (Ch 5, sc between next 2 shells) around.

Rnd 4: Ch 2, sc in next 5-ch loop, ch 3 for a dc, * ch 3, dtr in next 5-ch loop, (ch 3, tr tr—treble treble crochet: thread over hook 4 times and work off 5 pairs of ststs) 4 times in same loop, ch 3, dtr in same loop, ch 3, dc in next 5-ch loop. Repeat from * around. Join final 3-ch to first 3-ch.

Rnd 5: Ch 3, (dc in next 3-ch, dc in dtr) worked off together in a cluster (cluster consists of 2 or more dc, tr, dtr, or tr tr gathered together at top in tight group. Hold last loop of each st on hook, then thread over and draw through all loops on hook at once), * 4 dc in next 3-ch, dc in tr tr, ch 4, sl st in last dc for a picot, 4 times, 2 dc in next 3-ch, (dc in dtr, dc in 3-ch, dc in dc, dc in ch 2, ch in dtr) worked off into a cluster. Repeat from * around. End with a 2-dc-cluster, sl st in first cluster; fasten off.

LEAF—Row 1: (Ch 6, dc in 6th st from hook) 9 times. ch 8, sl st in 8th st from hook, sc under bar of next dc, ch 4, sl st at base of same dc) 9 times. Row 2: Ch 5, (dc, ch 2, tr) in next loop, ch 2, (dtr, ch 2, dtr) in next, * ch 2, (tr tr, ch 2, tr tr) in next loop. Repeat from * 3 times. Ch 2, (dtr, ch 2, dtr) in next loop, ch 2, dtr in next, ch 2, tr in next, (ch 2, dc) 5 times in end loop, ch 2, (tr, ch 2, tr) in next loop up other side, ch 2, dtr in next, ch 2, (dtr, ch 2, dtr) in next, (ch 2, tr tr in next) 5 times, ch 2, (dtr, ch 2, tr) in next, ch 5, sl st in end st.

Row 3: Ch 3, 6 dc in next 5-ch, (dc in next st, 3 dc in next sp—space) twice, dc in dtr, dc in next sp, a 4-ch p, dc in same sp. Continue around with 2 dc in each sp, 1 dc in each st between, putting a 4-ch p in every 7th dc.

In tip end dc, make 3 dc, p, 2 dc. After 13th p, make 2 dc in next sp, dc in tr tr, 3 dc in next sp, dc in dtr, a p, 3 dc in next sp, dc in tr, 6 dc in end sp, sl st, ch 3, dc in first 3-ch; fasten off.

Tack stem between 2 petals on flower, and sew to flower picots on each side. Make a second leaf through row 2. Turn over and make row 3, reversing the order of picots. Tack to opposite side of flower.

Make 16 sprays, 3 for each side, 4 in center of cloth. Make 4 sprays more for corners, but leave only 2 flower petals between leaf joinings. Make a cardboard pattern slightly larger than sprays. Mark around this on tissue paper. Stretch and pin each spray right-side-down on a tissue pattern, and steam and press dry through a cloth. Arrange sprays around edge of linen, pinning in place. Tack together where they meet. Working on right side, whip outside edge of sprays to linen. Turn work over, cut linen ¼" from stitching, turn edge back next crochet and hem down on back or dc-row on edge of sprays.

Make four sprays for center. To place these, find exact center of cloth by folding linen into square and creasing at center. Then open and arrange sprays in an approximate circle, fitting leaf tips together. With a pencil and string, determine the point at which to draw a perfect circle in a very light pencil line, then baste sprays around circle. Whip
sprays down to linen on right side; turn and cut linen out from under sprays; turn edge of linen back and hem with tiny stitches, or use buttonhole stitch; press linen smooth.

Napkin corners to match the table cover are easily crocheted in the same thread used for the sprays. About 8½ yards of thread are required for each corner.

**CORNER**—Rnd 1: Ch 4, sl st in first st to form ring. Ch 5, tr into ring, (ch 2, tr in ring) 10 times, ch 2, sl st in second st of beginning ch.

Rnd 2: Ch 1, into next 2-ch * sc, ch 2, 3 dc, ch 2, sc in tr. Repeat from * around, sl st in first 1-ch. Rnd 3: (Ch 4, sc between 2 shells) around.

Rnd 4: Ch 2, sc in next 4-ch loop, ch 2 for a dc, * ch 2, tr in next 4-ch loop, (ch 2, dtr) 4 times in same loop, ch 2, tr in same loop, ch 2, dc in next 4-ch loop. Repeat from * around. Join final 2-ch to first 2-ch; fasten off. Attach to napkin corner according to the directions given for cover.

**KNITTED LACE**

Using No. 16 double-point steel needles and No. 20 mercerized crochet cotton, the lace measures about 2 inches at the widest point.

In this lace decreases (decs) are made by “k 2 tog” (knit 2 together). To do this, with thread to back for knitting, thrust right needle through next 2 sts (stitches) from right to left as shown in Figure 1; thread over needle and draw through both sts, thus making a dec of one st.

To purl 2 tog, with thread to front, thrust needle through 2 sts purlwise as though they were one st, and purl.

An “O” (over) is made by bringing thread under needle to front and back over right needle to back of work. If the over occurs in a purl row, carry thread over right needle to back and under needle to front again. In the next row “overs” are always counted as sts, and are knitted or purled as directed.

To slip a st knitwise or purlwise, thrust right needle through st as if to knit or purl as directed; do not make a new st but merely transfer the present st to the right needle by slipping it off the left needle.

**LACE**: cast on 20 sts. Row 1: k 3, O, k 2 tog (see Fig. 1); k 1, k 2 tog, O, k 5; O, k 2 tog, k 1; O, k 2 tog, k 1, sl (slip) next (last) st purwise. Row 2: purl the first st; make a purl inc (increase) by purling (Continued on Page 6)
SHIPS A-SAILING QUILT

The finished quilt measures about 87 inches by 101½ inches. The required number of each piece is given on the pattern of that piece. You will need about 2½ yards for section A, about 4½ yards for section B, and about 7½ yards for section C. Set the blocks 6 across and 7 up and down.

Trace the lines of this pattern on cardboard and make your cutting pattern from that. You will be able to duplicate the pieces should they become lost or torn.

To piece the block, stitch A and B pieces together as shown in the sketch. Join section C between two sections of A and B that have been stitched together in half diamond shape. A and B sections would be nice in blue and yellow; C in a print or use anything you have in your rag bag.

Line and bind quilt. Quilt around the small diamonds; quilt your favorite design in the star.

Dear Readers:

Soon after the first of the year THE WORKBASKET will be moving to its new and greatly enlarged building. Since we can do no printing during the process of moving, the March issue might possibly reach you a few days late. We hope not and we are going to do everything in our power to maintain our regular schedule.

THE WORKBASKET has grown by leaps and bounds since its first publication eleven years ago and every few years has found us enlarging our space.

The future issues of THE WORKBASKET will continue to bring you an exceptionally beautiful collection of patterns, designs and directions, which we hope you will find useful and unusual.

Sincerely,

Aunt Ellen
