Simple Crochet Stitches

1. Chain (ch): Make a loop on hook, thread over and draw main length of thread through. Continue to draw thread through each loop in order for length desired.

2. Single Crochet (sc): Insert hook under 2 loops of st, draw thread through (2 loops on hook); thread over, draw through 2 loops on hook.

3. Double Crochet (dc): Thread over, insert hook in st and draw thread through (3 loops on hook); thread over, draw through 2 loops, thread over, draw through 2 remaining loops.

Work Half Double Crochet (half dc) like dc, but draw thread through all 3 loops at once.

4. Treble (tr): Thread over twice, insert hook in st and draw thread through (4 loops on hook); thread over and work off 2 loops at a time as for a dc. For a Double Treble (d tr), thread over 3 times; and for a Triple Treble (tr tr), thread over 4 times, working off 2 loops at a time as in the tr.

5. Slip Stitch (sl st): Insert hook in st, catch thread and, with one motion, draw thread through both the st and the 1 loop on hook.

General Information

GAUGE . . . For perfect results your number of stitches and rows should correspond with that in the directions. Before starting your article, make a small sample of the stitch. If your working tension is too tight or too loose, use a finer or coarser needle, to obtain the correct gauge.

BLOCKING DIRECTIONS . . . Using rust-proof pins, pin individual pieces right-side down on Turkish towels. Press with a hot iron, through a damp cloth. When thoroughly dry, remove pins.

TO LAUNDER COTTON ARTICLES . . . Before laundering, record all important measurements. Use a good neutral soap or soap flakes; make sure in warm water. Squeeze suds through until it is clean. Rinse thoroughly and wring out. Lay out article on Turkish towels, according to recorded measurements, and pin in place with rust-proof pins. Press through dry cloth. When thoroughly dry, remove pins. Press lightly where necessary.

IMPORTANT . . . Be sure to buy at one time sufficient material of the same dye lot to complete the article you wish to make, as it is impossible to avoid slight variations in color in different dye lots.
